by U.S. Military : **Canine-Assisted Therapy in Military Medicine: Dogs and Human Mental Health, Wounded Warriors, Occupational Therapy, Combat Veterans, History of Army Dogs, PTSD, Nonmilitary Settings, Stress Control**

ISBN : #1521134936 | Date : 2017-04-23

Description :

PDF-04ce6 | This important military document focuses on the expanding role of dogs in the military healthcare system. Sixteen chapters explore the recognition and acceptance of the value of therapy dogs by both military and civilian healthcare professionals. The articles examine the various capacities in which dogs work among patients in medical facilities. There are also detailed discussions of the fairly re... *Canine-Assisted Therapy in Military Medicine: Dogs and Human Mental Health, Wounded Warriors, Occupational Therapy, Combat Veterans, History of Army Dogs, PTSD, Nonmilitary Settings, Stress Control*
