Description :

PDF-76605 | While there are many textbooks about the prophetic literature, most have taken either a historical or literary approach to studying the prophets. A Chorus of Prophetic Voices, by contrast, draws on both historical and literary approaches by paying careful attention to the prophets as narrative characters. It considers each unique prophetic voice in the canon, in its fully developed literary form, ... *A Chorus of Prophetic Voices: Introducing the Prophetic Literature of Ancient Israel*
