Description :

PDF-9a1bb | For two long periods in modern history — from 1714 to 1760 and from 1837 to 1901 — the sovereign in London looked upon the British and the Germans as peoples inseparably connected, with a common heritage and with similar interests to maintain on the Continent. Close connections between the great ruling houses of Britain and Germany have existed since even before the time of the Hanoverians. In ... *Crowned Cousins: The Anglo-German Royal Connection*
