Description :

PDF-230eb | A handbook of new curatorial strategies based on pioneering examples of curators working to offset racial and gender disparities in the art world. Current art world statistics demonstrate that the fight for gender and race equality in the art world is far from over: only sixteen percent of this year's Venice Biennale artists were female; only fourteen percent of the work displayed at MoMA in 2016 ... *Curatorial Activism: Towards an Ethics of Curating*
