by Mark J. Winter : **d-Block Chemistry (Oxford Chemistry Primers)**

ISBN : #0198556969 | Date : 1995-01-26

Description :

PDF-04cc1 | Many students find the array of structural types displayed by d-block metal complexes somewhat bewildering when they encounter them for the first time. In this primer, Mark Winter uses clear text and consistently presented molecular structures to help overcome this problem and to provide a concise text for first courses in transition metal chemistry. His student-friendly approach will make the sub... *d-Block Chemistry (Oxford Chemistry Primers)*
