# Design Patterns in C# PDF

by Steven John Metsker : **Design Patterns in C#**
ISBN : #0321126971 | Date : 2004-04-25
Description :
PDF-e39ac | For students learning in the Microsoft environment, this book is a companion to the original Design Patterns text tailored to the C#. This book is an application book, rather than a theoretical one. It is written for students who want to gain a better understanding of the patterns described in the seminal design patterns book by Gamma et al. The book's intent is to give students the confidence and... *Design Patterns in C#*
