Description :

PDF-0eee2 | The Falconer's Log Book is an indispensable aid in caring for and training a hunting raptor. It shows a simple but effective graphing system that will quickly show the falconer what is the ideal flight weight for each raptor. It also makes it easier to identify dangerous situations and conditions so they can be avoided in the future. Every apprentice falconer needs to learn how to balance food ... *The Falconer's Logbook (The Falconer's Apprentice Series)*
