Description :

PDF-1e3fa | Turning an anthropological eye toward cyberspace, *Human No More* explores how conditions of the online world shape identity, place, culture, and death within virtual communities. Online worlds have recently thrown into question the traditional anthropological conception of place-based ethnography. They break definitions, blur distinctions, and force us to rethink the notion of the "subject." Human N... *Human No More: Digital Subjectivities, Unhuman Subjects, and the End of Anthropology*
