Description :

PDF-db8ef | When teaching reading, American classrooms often focus exclusively on skills instruction. But how can you teach the “how” without the “why?” In his new book, *Igniting a Passion for Reading*, Steve Layne shows teachers how to develop readers who are not only motivated to read great books, but also love reading in its own right. Packed with practical ways to engage and inspire readers from ... *Igniting a Passion for Reading: Successful Strategies for Building Lifetime Readers*
