by Jocelyne S. Feine : **Implant Overdentures: The Standard of Care for Edentulous Patients**

ISBN : #0867154306 | Date : 2003-12-01

Description :

PDF-98a44 | Two-implant overdentures have been shown to increase the satisfaction and quality of life of edentulous patients who have difficulties with conventional dentures, and this book provides compelling evidence for the efficacy of this rehabilitative treatment based on a thorough review of the current literature. Following a presentation of demographic trends for edentulism, leading experts discuss the... *Implant Overdentures: The Standard of Care for Edentulous Patients*
