Introduction to Topology: Second Edition (Dover Books on Mathematics) PDF

by Theodore W. Gamelin : **Introduction to Topology: Second Edition (Dover Books on Mathematics)**

ISBN : #0486406806 | Date : 1999-02-16

Description :

PDF-40e0b | One of the most important milestones in mathematics in the twentieth century was the development of topology as an independent field of study and the subsequent systematic application of topological ideas to other fields of mathematics. While there are many other works on introductory topology, this volume employs a methodology somewhat different from other texts. Metric space and point-set topolog... *Introduction to Topology: Second Edition (Dover Books on Mathematics)*
