Description :

PDF-1c1b1 | I hope that by writing my second book about living with neurofibromatosis (NF) and by including the stories from other people who suffer from NF, it will help to give a better understanding of how differently people are affected by this cruel condition. The condition does not only affect the person who has the condition but their families too. The book provides my continued diary of how I cope with... *Living With Neurofibromatosis (Kirsty's Story Living with Neurofibromatosis and Scoliosis Book 2)*
