Description :

PDF-1018f | Most cancer research dollars have been wasted by asking the wrong questions, looking in the wrong places, and recycling the same failed approaches while expecting different results. Conventional cancer treatments damage health, cause new cancers, lower the quality of life, and decrease the chances of survival. In fact, most people who die from cancer are not dying from cancer, but from their treat... *Never Fear Cancer Again: How to Prevent and Reverse Cancer (Never Be)*
