by Frank Close : **Nothing: A Very Short Introduction**

ISBN : # | Date : 2013-12-03

Description :

PDF-f8d2f | This short, smart audiobook tells you everything you need to know about "nothing." What remains when you take all the matter away? Can empty space - "nothing" - exist? To answer these questions, eminent scientist Frank Close takes us on a lively and accessible journey that ranges from ancient ideas and cultural superstitions to the frontiers of current research, illuminating the story of how scien... *Nothing: A Very Short Introduction*
