Reconstructing Sustainability Science: Knowledge and action for a sustainable future (The Earthscan Science in Society Series) PDF

by Thaddeus R. Miller : **Reconstructing Sustainability Science: Knowledge and action for a sustainable future (The Earthscan Science in Society Series)**

ISBN : #0415632625 | Date : 2014-12-10

Description :

PDF-c0881 | The growing urgency, complexity and "wickedness" of sustainability problems?from climate change and biodiversity loss to ecosystem degradation and persistent poverty and inequality?present fundamental challenges to scientific knowledge production and its use. While there is little doubt that science has a crucial role to play in our ability to pursue sustainability goals, critical questions re...
