Description :
PDF-fbe6c | E-commerce is no longer an alternative for doing business. It is the mainstream method by which business is conducted. When e-business is adopted appropriately, it effects fundamental changes that impact all areas of a business. Although e-commerce initiatives view the Web as simply another sales channel, e-business advances further into the corporate structure and requires that companies change t... *Reengineering Business for Success in the Internet Age : Business-to-Business E-commerce Strategies*
