Roadside Geology of Southern California PDF

by Arthur Gibbs Sylvester : **Roadside Geology of Southern California**

ISBN : #0878426531 | Date : 2016-02-15

Description :

PDF-2086e | Since Mountain Press started the Roadside Geology series forty years ago, southern Californians have been waiting for an RG of their own. During those four decades?which were punctuated by jarring earthquakes and landslides?geologists continued to unravel the complexity of the Golden State, where some of the most dramatic and diverse geology in the world erupts, crashes, and collides. With daz... *Roadside Geology of Southern California*
