Description :

PDF-8d218 | The past two decades have shown a huge increase in interest and new knowledge concerning the shoulder. Today, surgery of the shoulder is recognized as one of the most important areas of orthopaedic surgery. Many surgeons now limit themselves exclusively to the shoulder in their practice and research work, obtaining thus an outstanding experience in this field. During the congress particular emphas... *Surgery of the Shoulder: Proceedings of the 6th International Congress on Surgery of the Shoulder (International Congress Series)*
