Description :

PDF-4e8ec | This is a completely revised edition of my 2015 book, Tesla Motors. I've updated every section, and added new chapters about Model X, Model 3, Tesla Energy and the SolarCity acquisition. In 14 years of existence, Tesla has achieved many amazing feats. The most trusted sources in the auto industry have called its Model S the most advanced, safest and best-performing car ever built - and it doesn't... *Tesla Motors: How Elon Musk and Company Made Electric Cars Cool, and Remade the Automotive and Energy Industries*
