Description :

PDF-b418a | Nothing stretches or bends, there is no movement, no animation, no life in static images. But by looking at these pared-down and simple pictures in sequence, you catch glimpses that would indicate otherwise—and that indication is magical. Before your eyes, these abstract simple lines, geometric shapes, and grids come to life. *Vanishing Perspective* is a comic book in which the reader is light its... *Vanishing Perspective*
