Description :

PDF-414ca | This book is probably the best introduction to the subject of chakras one could have; whether one only wants to know about the general scheme of the chakras, or how to use them for health, philosophy or centering. The illustrations and practical exercises make this the most comprehensive book yet on this fascinating subject. It is well-researched, based on sound principles, and lucidly written.... *Wheels of Life: A User's Guide to the Chakra System (Llewellyn's New Age Series)*
